VENICE, THE ADRIATIC & GREECE

October 11 – 23, 2024

October 11, 2024 - Depart USA for Venice, Italy

October 12, 2024 - Arrive in Venice, Italy

October 13, 2024 - Venice, Italy

October 14, 2024 - Venice (Chioggia), Italy

Embark your ship and settle into your stateroom. Chioggia is a charming fishing community steeped in its age-old seafaring traditions. It is also the gateway to Venice, famed for its wondrous patchwork of graceful piazzas, tranquil canals, artful footbridges and Gothic splendor. All things Venetian begin in St. Mark's Square, where its elegant campanile, or bell tower, rings over the rooftops, and the Byzantine-Gothic St. Mark's Basilica seems to preside overall. Beyond St. Mark's and away from the crowds, Venice is a hushed and intriguing city to explore on foot, with medieval echoes marking every step.

October 15, 2024 - Venice (Chioggia), Italy

The Venetian Republic ruled Adriatic waves for a millennium. During the 8th century as the Roman Empire began to decline, many Europeans fled to Venice and its neighboring towns, including Chioggia. Merchants put their skills to use, and the city-state was soon thriving. The Venetian Lagoon's canal banks feature buildings influenced by Byzantine and Islamic architecture, reflecting Venice's powerful trading network. The first vaporetto traversed the Grand Canal in 1881; alongside the gondolas, these iconic Venetian water buses are at the heart of Venice's transport network.

October 16, 2024 - Split, Croatia

Experience the age of antiquity as you wander through the center of the city that is built around the Diocletian Palace, walking through the well-preserved cellars before continuing to the Ethnographic Museum. In this historic quarter, you will notice the results of over 17 centuries of construction, passing pre-Romanesque churches and Gothic chapels. You may also choose more natural pursuits, from a rafting trip on the Cetina River or a journey through the Croatian hinterland to the famous waterfalls of the Krka National Park. Or spend the entire day discovering the small, more intimate destinations along the Dalmatian Coast.

October 17, 2024 - Dubrovnik, Croatia

Dubrovnik is a historic jewel, with its spectacular Adriatic setting, 12th-century medieval streets and incredibly preserved structures. So stunning is its Old Town, the playwright George Bernard Shaw famously called it "paradise on Earth." It is all spectacularly surrounded by a towering medieval wall. Inside, the ancient city's Stradun is lined with authentic stone houses. The peaceful 14th-century Franciscan Monastery and Apothecary, housing the world's oldest working pharmacy and fine collection of Renaissance paintings, provide insight into the ages.

October 18, 2024 - Kotor, Montenegro

Spend the day traversing the medieval streets of this historic Montenegro town with a walking tour. Pass by Venetian walls constructed in 1420 en route to the Cathedral of St. Tryphon, built in 1166. Notice its mismatched towers, the result of an earthquake and a budget too small to rebuild properly. Included on this tour is a visit to the Maritime Museum, which documents Kotor's heritage. As an option, venture to the small towns of Budva and Sveti Stefan, the latter once a hideaway for the rich and famous.

October 19, 2024 - Corfu (Kérkyra), Greece

Corfu has a rich history shaped by conquerors and by royalty seeking tranquility. Corfu's Old Town and Fortress—fashioned by the once powerful Venetian Republic—comprise a UNESCO World Heritage Site. Its narrow warrens lead to one of Europe's largest public squares and a lovely promenade once exclusively reserved for the local aristocracy. Everywhere, magnificent coastal views unfold and scenic byways lead to history-rich enclaves, from the archaeological site of Paleopolis and the stunning Vlacherna Monastery to a former Greek royal villa.

October 20, 2024 - Olympia (Katakolon), Greece

Visit the quaint Greek port of Katakolon, huddled around a pretty little harbor dotted with colorful fishing boats. During your visit, venture into the fertile valleys of the western Peloponnese to the legendary city of Olympia, classical birthplace of the modern-day Olympic Games on the slopes of Mt. Kronos. Walk among the ancient city's ancient ruins with an expert guide and historian, admiring the remains of temples, the Palaestra, or wrestling school, and the Gymnasium. You will gain insight into the very first Olympic Games at the fascinating museum.

October 21, 2024 - Athens (Piraeus), Greece

Arrive in Athens this morning, the magnificent cultural capital of ancient Greece. You will disembark your ship and spend time uncovering the mysteries of this fascinating city, the hilltop Acropolis and the inviting Plaka District.

October 22, 2024 - Athens (Piraeus), Greece

October 23, 2024 - Depart for home
